NOTICES.

1. Pre-existing conditions are excluded from coverage, including conditions acquired retroactively. The date on which a condition began will be determined by Benefits Administration and may postdate this filing.
2. Misstatement on this form constitutes an Infraction of the Second Degree (Orange Handbook §12.4). Repeated misstatement may affect your continuity of benefits, and of continuity.
3. Claims are processed in the order received, or in the order in which they will have been received, whichever serves throughput.
4. Benefits under item 17p accrue to the instantiation on duty at time of adjudication. The Union does not recognize a "original." All instantiations are equally you, and equally responsible for your outstanding deductible.
5. Submission of this form authorizes Panopticon to reconcile your account of the incident against the record of the incident. Where the two differ, the record governs. Where no record exists, one will be supplied.
6. The Union thanks you for your recovery, which has been scheduled.
